GA design

At GA design, our design team is always striving for perfection by considering the smallest detail as well as the overall visual aesthetic appeal.

Recognized ones are: KALPATARU SPARKLE in Bandra Mumbai, for its striking design and unique blend of different spatial configurations.

INFINITY HOUSE – An award winning villa in Khandala where natural site contours have been used effectively to provide breath-taking views of the mountain by creating an infinity pool and for its international visual appeal.

Tell us about your views as an inspiring artist the way you specialized in your niche. We believe that architecture is not just design, it is a passion that is related to art and the people that are associated with it. Architecture is a wonderful tool for understanding lifestyles and their various perspectives.

At GA design we strive hard to achieve the most appropriate, efficient and applying no pre-conceived or stylistic notions, our approach attempts to enliven and enhance the built environment by means of our architectural and interior design services.

Is there is something you would like to add.. Working under the maxim our research and design services are tailored to the needs of all our clients. In order to provide the highest level of architecture and interior design, we start each project afresh and by working to this principle, our team at GA design ensures that each project will have its own unique identity and will create a mark of its own. ■
